Subject: Confer as to Motion

[External to Akerman]

I am filing a Notice of a Suspected Stress-Caused Heart Attack I had on October 31, 2021 that has resulted in my being nearly completely bedbound as I wait for Medical Appointments from the Department of Veterans Affairs, and in the same document incorporating a Motion for the Court to Require the United States Department of Justice to comply with its Statutory Duty, pursuant to the Servicemembers, and Veterans, Initiative Act of 2020, to

provide Attorneys in this case, since I am Medically Unable to Proceed, and my daughter, who is my VA Medical Caregiver, is required to assist me with the Necessities of Life.

Do you object as to the Motion?

Thank you for your time in this matter,

Hannah Kidwell and Billy Kidwell
